22  
23 Creditor TCB INDUSTRIAL, INC. ("TCB"), by and through its undersigned counsel, hereby  
24 files this notice of perfection, maintenance, and continuation of perfection of its mechanic's lien against  
25 the Debtors, PG&E Corporation and Pacific Gas & Electric Company ("Debtors") pursuant to 11 U.S.C.  
26 sections 362(b)(3) and 546(b) ("Notice"). In support of this Notice, TCB represents the following:

27 1. TCB is an industrial contractor duly licensed by the state of California, with its principal  
28 place of business at 2955 Farrar Avenue, Modesto, California 95354.

2. Debtor Pacific Gas and Electric Company (hereinafter “PG&E”) contracted with TCB to furnish all labor, materials and equipment for the Cresta Powerhouse - Remove and replace cooling water pumps, replace ejector valves and repair guide bearing oil tub and/or other related construction services (hereinafter “Project”) for the improvement of certain real property owned, or reputed to be owned, by PG&E. The real property is located at the following address, more commonly known as

## Cresta Powerhouse

## Highway 70, Concow, California

**APN 61-380-003-000**

(hereinafter “Real Property”).

3. Prior to the bankruptcy petition, TCB furnished such labor, materials, equipment, and/or supervision for the Project, and other related construction services for the improvement of the Real Property in accordance with the scope of work contained in the contract, and as amended by applicable work orders.

4. The principal sum, exclusive of interest and other charges, that is currently due and owing to TCB for the labor and materials provided to the PG&E pursuant to the contract is:

**\$57,771.14**

5. Bankruptcy Code, 11 U.S.C. § 362(b)(3) provides that:

The filing of a petition under section 301, 302, or 303 of this title...does not operate a stay...under subsection (a) of this section, of any act to perfect, or to maintain or continue the perfection of, an interest in property to the extent that the trustee's rights and powers are subject to perfection under Section 546(b) of this title or to the extent that such act is accomplished within the period provided under section 547(e)(2)(A) of this title. *11 U.S.C. § 363(b)(3)*.

6. Bankruptcy Code, 11 U.S.C. § 546(b) provides that:

(1) The rights and powers of a trustee under sections 544, 545, and 549 of this title are subject to any generally applicable law that-

(A) permits perfection of an interest in property to be effective against an entity that acquires rights in such property before the date of perfection; or

(B) provides for the maintenance or continuation of perfection of an interest in property to be effective against an entity that acquire rights in such property before the date on which action is taken to effect such maintenance or continuation.

(2) If –

1 (A) a law described in paragraph (1) requires seizure of such property or  
2 commencement of an action to accomplish such perfection, or maintenance or  
3 continuation of perfection of an interest in property; and  
4 (B) such property has not been seized or such an action has not been commenced  
5 before the date of the filing of the petition;

6 such interest in such property shall be perfected, or perfection of such interest shall be  
7 maintained or continued, by giving notice within the time fixed by such law for such  
8 seizure or such commencement. 11 U.S.C. § 546(b).

9 7. Pursuant to California Mechanic's Lien law, a claimant must commence an action to  
10 enforce a lien within 90 days after recordation of the claim of lien. *Cal. Civ. Code § 8460(a)*. Because  
11 the Debtors filed their Chapter 11 petition for bankruptcy on January 29, 2019, it created an automatic  
12 stay of all actions, including a claimant's action to enforce a lien. Thus, TCB was prevented from  
13 commencing an action to enforce its liens against the Debtors and perfect its mechanic's liens under the  
14 law.

15 8. Accordingly, TCB hereby gives this notice in lieu of the commencement of any action  
16 to perfect, maintain, or otherwise preserve its mechanic's liens pursuant to 11 U.S.C. § 546(b) and  
17 California Civil Code sections 8460(a), including the recording of a claim of lien, the commencement  
18 of action to enforce the Mechanic's Liens, the filing of a Pendency of Action, and/or the service of  
19 notice on purchasers of production on the Real Property ("Mechanic's Lien"). A true and correct copy  
20 of the Mechanic's Lien is attached hereto as **Exhibit "1"** and incorporated by reference.

21 9. TCB hereby gives notice it intends to enforce its rights under the Mechanic's Lien to the  
22 fullest extent allowed under the law. This Notice shall not be construed as an admission that such filing  
23 is required or to the necessity of recording, commencement, or seizure. In addition, TCB hereby gives  
24 notice that it has, or may be entitled to, additional mechanics' liens rights to properties owned by the  
25 Debtors as they become due and owing according to prepetition contracts with the Debtors for the  
26 improvement of real property. This Notice shall preserve and continue to preserve any and all of TCB's  
27 rights as to the Mechanic's Liens and Bankruptcy Code.

28 10. TCB reserves the right to amend, supplement or otherwise modify this Notice and  
reserves any and all rights entitled to it under the applicable law.
